

I have been doing online lessons with Tasha for a few years now and must say that they have been very easy, effective and very enjoyable. Even if there is no hands-on work, Tasha is so visually aware that online lessons are actually very similar to regular ones, as she can give clear directions with the help of the webcam. I remember the first few times I felt like I was in the studio! Online lessons, combined with intensives once or twice a year, have been for me a great way to stay connected with AT-iPAC. Thank you Tasha for being such a great virtual and in-person teacher!!
