

My Last Lesson

By Sian

Dear Tasha,

I think I should tell you how much I appreciated my last lesson. You always work incredibly well of course, but the lesson of 6th March represented a new stage of my development to me.

The difference was simply that I felt for the first time that I actually made a CONTRIBUTION. When I left it was with a rosy glow!

I've a long way to I know, but I am now sure that I'll get there – eventually! I've known for a long time, but up to now, much of the reason for that has been what you've said. Now I 'feel' it for myself. I look forward to seeing you on the 13th

Anyway, thank you

Warmest thoughts,

Sian.
